at the

HAYS SALE ARENA - OAKVILLE, ONTARIO

HAYS FARMS LIMITED, Sale Managers

OAKVILLE

Box 470

ONTARIO

TERMS—The terms are cash or cheque at par—all payments must be made to the Clerk of the Sale, and no release will be given until satisfactory settlement has been made.

BIDS—The highest bidder will be the buyer. In case of dispute, the animal will again be put up for advance bids between the contending parties, and if there be no advance bid, the buyer will be the party from whom the auctioneer accepted the last bid.

RISK—All animals are at purchaser's risk as soon as sold, but will be cared for during a reasonable length of time after the Sale.

PEDIGREES—All animals sold are, or will be registered in the Herd Book of the Breed Association of Canada. Transferred registry certificates will be forwarded to the purchaser of each animal.

SHIPMENTS—All possible aid will be given in making shipment after the sale. Purchasers are requested to furnish all shipping instructions and correct address at time of making settlement.

WARRANTIES—(1) Each consignor guarantees right and title to property. (2) Unless otherwise noted in the catalogue or announced from the Auction Stand, each animal is sold as sound. (3) Each animal is sold as a breeder subject to the following conditions:

A. Males—Should any bull, after having reached the age of 15 months, fail to prove a breeder after being used for four months on cows known to be breeders, the matter shall be reported in writing to the seller who will then have the privilege of four months on his own premises to prove the bull a breeder, before refunding the full purchase price or make other settlement satisfactory to the buyer.

B. Females—Any female, pregnant when sold, will be considered a breeder. Bred females are sold as "pregnant" and the result of pregnancy

examinations will be announced from the stand. However, seller does not agree that a pregnant female will deliver a live calf. Any female not pregnant when sold or that on having reached the age of 18 months should fail to conceive after having been bred regularly for four months to a bull known to be a breeder, and treated by a competent veterinarian, should be reported in writing to the seller. The seller will then be granted the privilege of a further period of four months to prove the female a breeder on his own premises before refunding the purchase price as full adjustment or make other settlement satisfactory to the purchaser.

(4) The seller is not responsible for damage caused by foreign bodies after the animal is sold, inclusive of mummified calves, nor for sickness not apparent at sale time.

(5) All transportation charges on animals returned to the consignors are for account of the purchaser. No incidental expenses such as feed, care, veterinary charges, etc., will be charged by either party when making settlement.

ACCIDENTS—The Auctioneers, Sale Managers, or Owners, will in no way be responsible for the condition of the grounds or the behavior of the animals and disclaim any liability in the event of personal accident or property loss.

RESPONSIBILITY—It is clearly understood that the Sale Management is acting only as intermediary between buyer and seller and is not responsible for any failure by either party to live up to their obligations. Any legal action that may in extreme cases have to be taken must be between buyer and seller and will in no way involve the Sale Management. In every case, however, the influence of the Sale Management will be exerted so far as possible to hold both parties strictly to these Terms and Conditions of Sale.

"KIRKDALE" DISPERSAL

— FOREWORD —

It is with considerable regret that we find it necessary to disperse the "Kirkdale" herd of Polled and Horned Shorthorns, which was assembled with the greatest care as a strong breeding unit. We have here on this establishment a herd of over 150 Jerseys and along with the Scotch Shorthorns, have found it very difficult to operate as satisfactorily as is warranted with the present help situation. Located as we are in the Montreal milk shed, we have therefore decided to stay in the dairy business as the farm and district is ideally situated for dairying.

This herd was established on sound foundations with cattle selected from the finest herds in Western Canada, under the guidance of Bill Durno, a man well-known to all Shorthorn breeders. Then, at the June Sale of the world famous Birmingham Farms at Kingston, Ont. (Ben W. Franklin), our herd was further enhanced with a number of Polled animals of staunch bloodlines, and carrying service to the world renowned Birmingham sires. The present herd is the product of selections of the best, and our two main herd-sires have proved to be outstanding breeding bulls, worthy in every way of their proven inheritance. **Sidlaw Marksman 11th** is a grandson of **Killearn Max 5th**, rated among the greatest breeding bulls Canada ever produced, his 80 sons having averaged \$2,700. Our latest purchase, **White Oak Rothes** (Polled) is a 100 per cent. dehorner and sire of a first prize winner at the 1955 Chicago International.

In writing "finis" to the Kirkdale Shorthorn Herd, our wish is that your purchases give you the same pleasure and satisfaction they have given to us, and trust they will reach the hands of those who will give them a chance to continue the good they have done in the Eastern States and the Eastern Township of Quebec. May good luck and good fortune be yours . . .

NYAMAKAD FARMS REG'D

"KIRKDALE" DISPERSAL

BIRMINGHAM NUGGET 3RD x

After an exhaustive search for a Polled Shorthorn sire, the Ministry of Agriculture for New South Wales, Australia, selected this grand-headed, thick Shorthorn bull to head up that government's Polled Shorthorn project. A specified amount of frozen semen was retained in Canada, of which Nyamakad Farms Reg'd. are able to offer at auction, five vials. **Birmingham Nugget 3rd x** is also the service sire of Lot No. 15. Six of his eight grandparents are Scottish Shorthorns.
